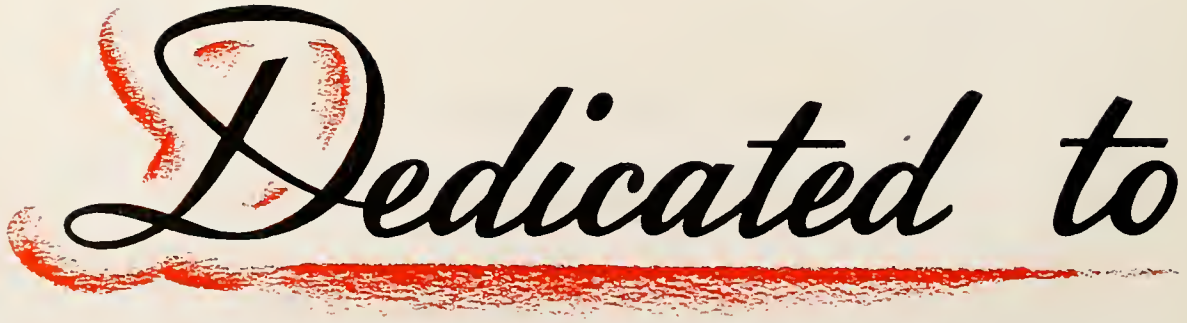
"A man's rank
Lies in the fulness of his manhood;
Therein alone he is royal."

"Denny" is a man,
Noble in character,
Ripe in years of wisdom,
Loyal to college and country,
Faithful and friendly to all.
The fruit of his hands,
The counsel of his heart,
The light of his personality,
The image of his life,
Are engraved in the admiration
And esteem of the Class of 1941.



N. G. DENISTON

In M

We at Eastern are indeed fortunate that so few of our friends and classmates have been called to the Great Beyond during this year. It should be classed as a milestone of accomplishment that our ranks have remained intact to such a great extent. We should sincerely hope that our associations here at Eastern may seldom be marred by the death of one who has been either an intimate friend or merely a casual acquaintance. It would be well for us to hope and pray that the years to come will be cherished as to the friends we have made while students here. May those years be seldom darkened by an In Memoriam to those friends.

During the past year five former students and one retired professor of our college have been taken from us. To many of us perhaps they were not very well known or even intimate friends, but the knowledge of their loss is a source of sorrow to us all.

They, as much as we, were a part of this great institution which has been our home for four years.

To their immediate families may we offer our condolences. We realize that we can never know the sorrow that has been yours during these trying times. Yet we would like for you to know that their memory will not be soon forgotten.

emoriam

B. D. Knox, class of 1934, of Carlisle, Kentucky died on February 24, 1941. Mr. Knox was the superintendent of Headquarters and East Union Consolidated School in Nicholas County.

James Elliott Souder, freshman in 1939-40, of Owenton, Kentucky died in July, 1940. Mr. Souder drowned at Clifton, Kentucky.

Ollie Adams, class of 1935, of Hagan Hill, Kentucky died on February 14, 1941. Mr. Adams had served as a teacher in Johnson County for 12 years.

Dr. George Drury Smith, former professor of Biology for twenty-five years, whose residence was in Richmond died in 1940.

A holder of the degrees of Bachelor of Arts and Sciences and of the honorary degrees of Master of Science and Doctor of Science, Dr. Smith was well known throughout the country for his work in photographing biological life.

Jennie Louise Case, freshman in 1939-40, of Lawrenceburg, Kentucky died in March, 1941.

Corda Buck, class of 1937, of Shelbyville, Kentucky died in 1940. Miss Buck majored in elementary education while here at Eastern.

OUR LOSS

President H. L. Donovan never has had a degree which marked him as a builder, but during his thirteen years at Eastern he has erected numerous buildings and he has laid the foundations for thousands of young Kentucky lives. An enjoyment for hard work and a tenacity and stick-to-itiveness until the job is completed have insured President Donovan's success. Eastern is losing a master builder, but she realized that greater successes are destined for Dr. Donovan at the University of Kentucky and to keep him would be selfish.

A perfect hostess has welcomed students and guests to the Donovan home during the past thirteen years. With a radiant smile and warm handshake Mrs. Donovan has greeted all people whom she has met. She has shared her husband's wishes in hoping and working for a greater Eastern and now after thirteen years results of their work can be realized. Mrs. Donovan not only will be missed in Eastern, but Richmond will feel her leaving when she goes to take over new duties at Maxwell Place on the University of Kentucky's campus.

OUR GAIN

No more popular man could have been chosen to take over the Presidency of Eastern than W. F. O'Donnell. His ability as an executive has been shown in his former posts as superintendent of schools at Carrollton and at Richmond. No better job could have tested his ability to cooperate and get along with people than his twelve consecutive years as president of the Kentucky High School Athletic Association. He is recognized by all who know him as an all-around "good fellow." Eastern is fortunate is getting this kind of a man to step into the vacancy left by President Donovan.

All who know Mrs. O'Donnell agree that she is the same kind of gracious lady as Mrs. Donovan. During the O'Donnell's years in Richmond, their home always has been open to Richmond young people and Mrs. O'Donnell has seen that all guests have felt at home. Mrs. O'Donnell will hang the latch string on the outside in the Donovan manner and everyday still will be open house in the President's home.

HIRAM BROCK AUDITORIUM

This auditorium was named after one of its most faithful regents and the greatest friend that Kentucky education has ever had in the Legislature. Such a beautiful and magnificent structure as this auditorium is was most rightfully named after one of Eastern's greatest benefactors.

BOARD OF REGENTS

KEEN JOHNSON

JESSE ALVERSON
H. D. FITZPATRICK

GLENN O. SWING
JOHN W. BROOKER

Cooperation and mutual goodwill in working toward a common purpose, the betterment of Eastern, has been the aim of these five men. While serving as Eastern's regents their own time and businesses have taken second place in order that Eastern might grow and develop into an institution which could better educate Kentucky's youth.

MARGARET RAMSEY

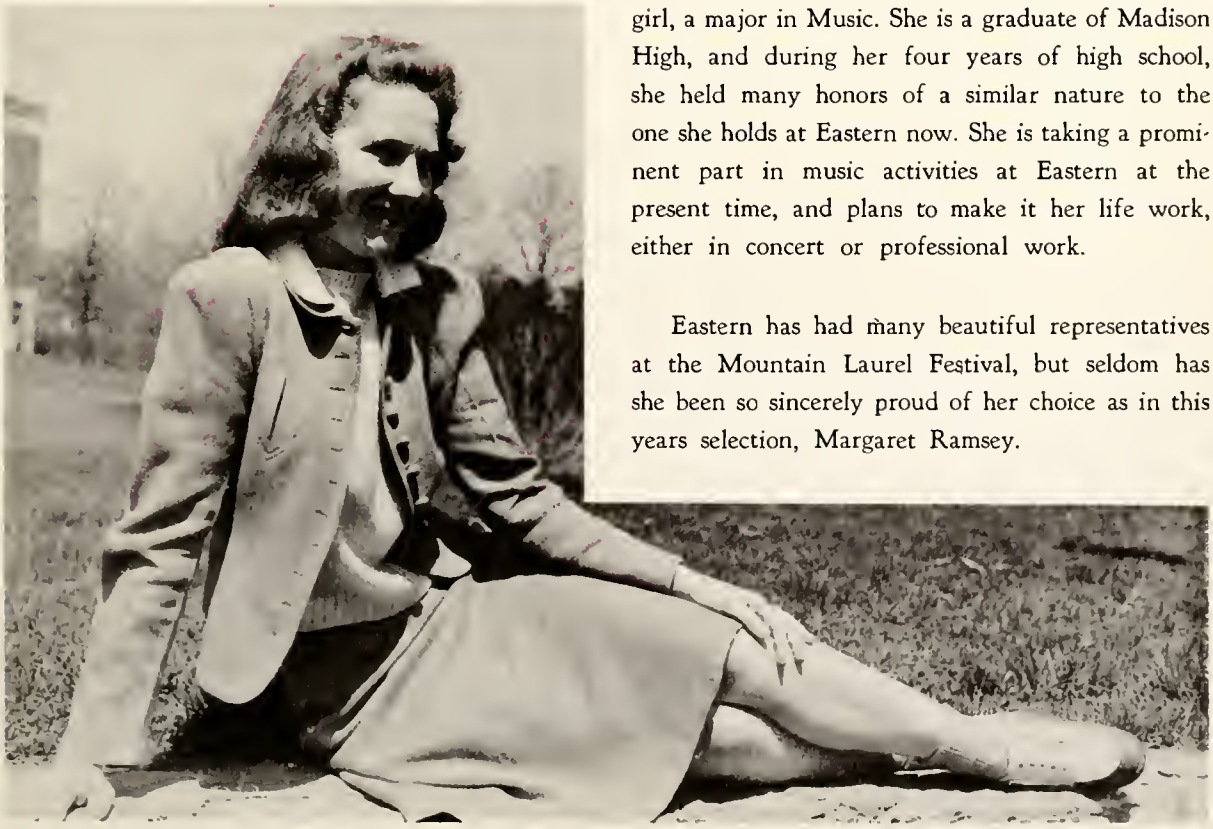
MISS EASTERN

To be chosen as Miss Eastern carries with it the significance of being the most beautiful girl on the campus. The selection of Margaret Ramsey as Eastern's representative at the Mountain Laurel Festival means that in the qualifications that make for beauty, charm, and attractiveness, she surpasses every other girl at Eastern.

The sweet quietness and unobtrusiveness of Margaret Ramsey's personality are indications that this year's honor is a sincere tribute to charm and beauty. In previous years the tribute has occasionally gone to these figures on the campus whose prominence in activities and social affairs confused the real issue. Margaret Ramsey has never had the recognition as a campus figure that some more flashing personalities have received, so her selection as Miss Eastern is a supreme tribute.

Only a sophomore, Miss Ramsey is a Richmond girl, a major in Music. She is a graduate of Madison High, and during her four years of high school, she held many honors of a similar nature to the one she holds at Eastern now. She is taking a prominent part in music activities at Eastern at the present time, and plans to make it her life work, either in concert or professional work.

Eastern has had many beautiful representatives at the Mountain Laurel Festival, but seldom has she been so sincerely proud of her choice as in this years selection, Margaret Ramsey.



ATTENDANTS

LOUANNA NOE

Sweet is the word that best describes Louanna. Sparkling eyes, a winning smile, a kind word for all, and a wholesome enjoyment of living are characteristics which mark Louanna as a standout from all the rest. Although only a sophomore, this Harlan Miss has shown leadership in the Home Economics Club, the Upper Cumberland Club, and the Harlan County Club. She was one of the two women from the sophomore class appointed as a student representative at faculty meetings for the year. Living the life that she does, Louanna is sure to receive other honors in the future.

ATTENDANTS

MARIE HUGHES

Another honor, that of attendant to Miss Eastern, is just one among many which have come the way of Marie. This Senior from McKee feels as much at home in a calculus class as in the chair of honor at a formal dance. In her years as a leader at Eastern, Marie has been an active member in the Future Teachers of America, Mathematics Club, Physical Education Club, Kyma, and Alpha Rho Tau. During the past year Marie has also served as treasurer of the Madrigal Club, battalion sponsor of the R.O.T.C., president of Kappa Delta Pi, and Queen of the 1941 Military Ball.

MISS POPULARITY

The office of Miss Popularity should logically be bestowed on the most "all-around" girl on the campus, since it is versatility that makes for popularity. On this basis the election of Mary Stayton, Senior from Dayton, Ohio, as Miss Popularity of 1941 was indeed appropriate.

A major in Physical Education, Mary's ability as a swimmer has marked her as the Number 1 Mermaid of Eastern. Her personality and general attractiveness have won for her in one year the much coveted honors of Sponsor of Battery C of the R.O.T.C. and Queen of the Senior Ball. A good student, she takes an active part in club activities, in which she has proved her ability to initiate and cooperate. Her sincere friendliness and charm have made her the "right" person for the honor of Miss Popularity.

MR. POPULARITY

Once in a lifetime there happens to be a person on a college campus whose selection as Mr. Popularity strikes everyone as inevitable and right. Such a person is Jim Squires, Eastern's choice for Mr. Popularity of 1941.

The sincerest tribute that can be paid to a person is to say that he knows no clique or faction lines so far as friendship is concerned. That is true of Jim Squires. Often an honor student, he finds time to participate in a multitude of campus activities. Almost every club on the campus numbers his name among its membership. His senior year gave him the honors of Co-editor of the Eastern Progress, president of the Men's Glee Club, and nomination as one of Eastern's number in Who's Who in American Colleges and Universities for the second consecutive year.

The spirit of sincerity that marked Jim Squire's association with everyone with whom he came into contact will be remembered long after he leaves Eastern.

ESTHER DILLMAN, Junior Prom Queen

The Juniors have always had an especial gift for selecting a beautiful and a charming girl to reign as Prom Queen. Somehow factions and politics never seem to hold in this election. Seldom has the truth of that assertion been so well exemplified as this year. Esther Dillman, junior in commerce from Northern Kentucky, deserves the highest honor that her class could confer upon her, the honor of being Queen of the Junior Prom.

THEDA DUNAVENT, Band Sponsor

At the end of every school year the members of Eastern's band select a band sponsor for the following year. The general qualifications for the honor are attractiveness, grace, and personality. The girl chosen for 1941, Miss Theda Dunavent, Loyall, Kentucky, fulfilled all these requirements.

Outstanding in many field, Miss Dunavent has been very prominent in her major field, Home Economics. She was chosen Sponsor of Battery B this year, this honor enabling her to be an attendant to the Queen of the Military Ball.

Highly satisfactory to the members of the Band, Miss Dunavent made a sponsor who proved to be an honor to Eastern as well.

QUEENS

MARY STAYTON, Senior Ball Queen

Already the possessor of many honors, Mary Stayton, senior from Dayton, Ohio, received the additional honor from her class of reigning as Queen of the annual Senior Ball. This selection offers proof of the genuine popularity that Miss Stayton enjoys and the sincere admiration with which the members of her class regard her.

MARIE HUGHES, Military Ball

When honors consistently accrue to an individual, the natural conclusion to be drawn would be that that person must be singularly deserving of honors. Such an individual is Marie Hughes, Richmond senior, who is Eastern's Military Ball Queen for 1941. In addition to this outstanding honor, she was chosen attendant to Miss Eastern at the Mountain Laurel Festival this year. She takes an active part in all campus activities, holding the presidency of the honorary educational fraternity, Kappa Delta Pi.

OFFICERS

MAJOR HUGH P. ADAMS

Major Hugh P. Adams, professor of Military Science and Tactics, instructor of the advance course, continued to push the Eastern R.O.T.C. to the front at summer camp, federal inspection, and by improving the character of the students.

It is with sincere regret that we say goodbye to Major Adams after he has been with us these three years.

Those who came in contact with him agree that if all the officers of the U. S. Army are like him our army is the best officered force in the world.

OFFICERS

LIEUT. EARL NOBLE

Another new member of the military staff, Lieut. Earl T. Noble, a graduate of Purdue University and a member of the Organized Reserve Corps instructs the sophomore classes in communications, motors, map reading, and instruments. A quiet and unassuming man, Lieut, Noble is a fine example for the men in the Reserve Officer's Training Corps.

LIEUT. WILLIAM C. REEVES

Lieut. Reeves performs his duties in the military department as instructor of freshman military and as coach of the pistol team. Many years from now the present freshmen will remember this gunner's examination and Lieut. Reeves with his "aiming point, vertical line on wall to direct front."

Lieut. Reeves is a member of the Organized Reserve Corps and a graduate of Purdue University.

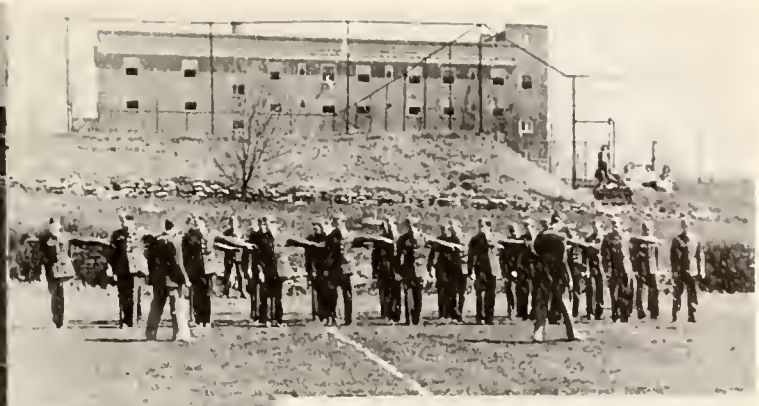
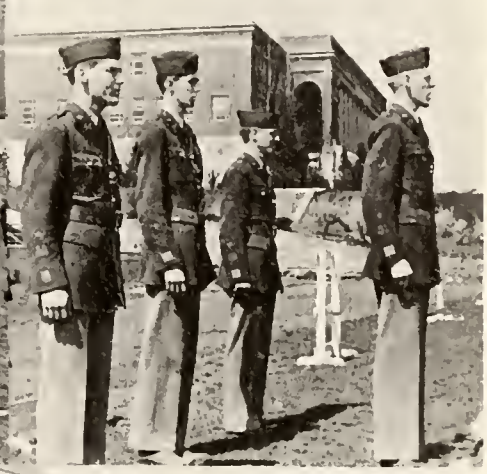
BATTERY A

Battery "A" was one of two batteries formed in the fall of 1936 and has continued from that humble beginning until now it is composed of approximately sixty-five men commanded by Cadet Captain Guy Whitehead. This Battery has always taken its share of the citations and honors that have been bestowed annually on the Battalion. The ranks of this Battery are filled with "Buck" Privates, Corporals, and every rank up to First Sergeant. On Corps Day this Battery usually takes the position at the head of the Battalion Column and is the first to pass the reviewing stand. Cadet First Lieutenant Charles R. Perry is an example of the Eastern men in this Battery. He has just finished a glorious year on the "hardwood" as the Captain of the Maroon five and is now rounding out four years of athletic achievement by "holding down" the first sack on the Baseball Diamond. He is an excellent student in the classroom and his warm smile and pleasing personality have made him a friend to many of the students on Eastern's campus.





CAPT. WALTER MAYER

LIEUT. JAMES PRATER

SPONSOR THEDA DUNAVENT

BATTERY B

Battery "B" along with her sister Battery, Battery "A", has been in operation since 1936 and has increased year by year with the increase in interest in R.O.T.C and National Defense.

This Battery is commanded by Cadet Captain Walter Mayer, who hails from Cold Springs, Kentucky, whose all-aroundness and regularness has made him many ardent admirers and friends. Mr. Mayer is as versatile on the Drill Field as he is on the Gridiron. He has played football at Eastern for four years, and never once has he complained or given up. He is one of the "old reliables" who make sports at Eastern something to reminisce about. It is with extreme regret that we see "Walt" leave us but we feel sure that wherever he is he will make life-long friends and be just as happy and amiable as he has been here.

First Lieutenant James H. Prater, Senior from Lackey, Kentucky, has been on the campus for four years and has been taking his share of the honors consistently. Although Mr. Prater has never taken an active part in athletics he has made himself well-known by his classroom activities and his ability to get along with people.

CAPT. JAMES C. BROCK

LIEUT. STEPHEN W. RICH

SPONSOR MARY STAYTON

BATTERY C

This is the second year of existence for "C" Battery. Last year this Battery won the Elk's Club Trophy for being the best drilled and most nearly perfect Battery in the Battalion at Eastern.

Cadet Captain James C. Brock has been at the reins of this Battery for the past school year. He has shown great ability as a leader of men and has made the competition for the 1941 award close. A Major in History and English he has displayed abilities in other fields quite removed from Military. Although a "rookie" on the Baseball squad he has shown possibilities and has held down his "southpaw" pitching position to a creditable degree. He is the youngest man of his class in Military Science and will not receive his commission in the Reserve Corps until 1942.

Cadet Lieutenant Stephen W. Rich has been the "man behind the scenes" in "C" Battery. He has been faithfully assisting and cooperating throughout the year and will ably fill a position as Second Lieutenant in the U. S. Army upon graduation. He is a Major in Commerce and has taken part in many club activities here at Eastern. "Steve's" pleasing personality and ready wit will be a loss to his many friends.

PISTOL TEAM

Front Row—A. Lowe, R. Yeager, P. Paynter, J. Stayton, Lt. William C. Reeves, W. Stocker, S. Rich, C. Floyd, J. Hughes.

Back Row—R. Whitaker, J. Walker, M. Lackey, E. Adams, H. Begley, W. Mason, J. Williams, R. Kidd, W. Barnett, P. Hounchell, P. Milbourne.

The pistol team of 1941 under the guidance of its new coach, Lieut. William C. Reeves, won all of its important matches, the shoulder-to-shoulder matches against Ohio State University and Xavier University.

St. Xavier has always been a close rival of Eastern, winning only one shoulder-to-shoulder match since the two teams started hostilities.

In pistol matches Eastern was not as successful, winning only seven out of twenty-two. This fact is attributed to the stiff competition that was carded for the team.

Starting the year with eight of last year's men, the pistoleers lose only two men at the end of this season, Steve Rich, and Capt. James Stayton, so we are all looking forward to a successful season next year, judging from the experience that will be on the firing line.

Scores of the shoulder-to-shoulder matches are:

Eastern	1256	Xavier	1182
Eastern	1206	Ohio State	1171
Eastern	1261	Xavier	1221

Some of the more important matches which the Eastern team won are:

Eastern	1254	Arkansas State	1237
Eastern	1278	Xavier	1354
Eastern	1263	Yale	1211
Eastern	1264	Indiana U.	1208
Eastern	1265	Wisconsin	1252
Eastern	1265	Harvard	1248

R. O. T. C. BAND

"Sound Adjutant's Call" starts the small but powerful and colorful R. O. T. C. band into action. This unit of the Corps is under the leadership of Director John R. Kinzer.

The band practices all winter so that the cadets in the ranks can keep step. They spend several extra hours weekly working on the marches for corps day.

George Hicks, the drum major, puts the musicians through their paces during the practice period before the reviews and executes the snappiest "present arms" on the field.

"They say there is something about a soldier" but it takes a stirring march to send the chills and shivers up and down your spine. Those who watched the corps day reviews last fall and this spring found it so. While the whole battalion stands at parade rest the band troops the line and nothing you can do will stop the goose-bumps from springing up. It takes a good band to do this and the R. O. T. C. can well be proud of its musicians.

Athletics

DIRECTOR OF ATHLETICS

THOMAS E. McDONOUGH

Well known throughout the South, Mr. T. E. McDonough, head of the Physical Education Department and Director of Athletics at Eastern, is still better known here at Eastern and in the state of Kentucky.

As a very active member of the Kentucky Intercollegiate Athletic Conference committees Mr. McDonough has been tournament manager for the last several years that the tournament has been held at Eastern. During these years the success of the tournaments has been ever increasing under his guidance.

Mr. McDonough is, in simple language, a regular guy, a straight shooter and an unsurpassed leader. Furthermore, Mr. McDonough is a fine example for us who are leaving Eastern and going into the field of education as well as in other fields.

Words limit us when we want to express our appreciation to "Mr. Mac", but we feel that we have shown our appreciation to him and we hope that he realizes that we will always look back upon our days at Eastern and the fine times and valuable advice he has given us.

COACH

ROME RANKIN

Coach Rome Rankin has been at the helm of Eastern's athletics for only six years. During these six years he has gradually built his teams up until he has accomplished what many coaches much older than he, have been trying to do for many years. That is to finish a season undefeated and untied.

We are sure that Coach Rankin is proud of this achievement, but he should be even more proud, for he has done this, starting with practically nothing. For, six years ago, Eastern's football team was the breather for just about every team on its schedule. But under the careful tutoring of this man the name Maroons strikes terror to most of the teams in this section of the country. And these teams have a right to be careful with Eastern for on the bench sits one of the craftiest coaches in the country, a man who can get the most out of his material.

Coach Rankin knows that we are proud of him and his boys. We do not have to tell him that but we can say that we wish him the best of luck in the years to come and many more seasons as brilliant as the last one in football.

Playing under a blistering sun at Bloomington, Illinois, the 1940 edition of the Eastern Maroons opened what turned out to be an undefeated, untied football season by locking horns with the Illinois State Normal Red Birds and winning 20 to 0.

Eastern's formidable attack was led by the Thurman-to-Schuster passing combination which netted two of the three touchdowns scored.

The burning heat of the sun played a big factor in the efficiency of both teams, slowing down both offenses considerably. Bringing this point out is the fact that all the scoring was done in the first half.

Eyeing an undefeated season the Maroons swept over a big Northern Illinois Teachers eleven by a score of 35 to 0. Although the score does not indicate it, the Illinois team, the second Eastern had played, proved to be a formidable opponent.

Eastern scored early on a 75-yard drive which ended with Thurman going over. Shining as usual for the Maroon offensive was Bert Smith, who turned in a brilliant run of 60 yards for the third touchdown of the game.

Scoring touchdowns for the Maroon team were: Thurman, Benedett, Smith, and Cross.

Eastern 27
Morehead 13

Continuing their winning ways, the Maroons never so much as slowed up, even for their arch rivals, Morehead. Going onto the field with determination all over their faces, the Maroon clad clan went right down to work on the Eagles, to win going away, 27 to 13.

Morehead started in with a quick touchdown drive to make the huge crowd sit up and look. Eastern retaliated to tie the score on a sweet run by flashy Bert Smith. Morehead scored again before the half to make the board show Eastern behind 7 to 13.

Eastern came back after the half to score three touchdowns and at the same time holding the Eagles scoreless to leave the crowd breathless and to claim the "Hawg Rifle" for the next year.

Eastern 39
Arkansas A. & M. 0

Opening their home season, the battling Maroons continued on their rampant ways, scoring a decisive triumph over the much-publicized Arkansas Aggies by a score of 39 to 0.

The highly touted Arkansas passing attack failed to get going and it was a Maroon field day. Hurling pass after pass the Arkansas Travelers couldn't seem to get to the other end of the heave and the Maroons were there instead, Ken Perry, backer-up guard intercepting three himself, one for a touchdown.

Substituting was prevalent on the Maroon bench, Coach Rome Rankin trying out all his possible combinations.

Bowling Green 0

Completing the first perfect season for an Eastern football team, Rome Rankin's rampant Maroons romped over the Trojans from Bowling Green State University of Bowling Green, Ohio, by a score of 48-0 before a shivering Dad's Day crowd. The game was a brilliant end to a fine season for such a team. The Maroons had no trouble in quickly stopping the Trojans. Eastern displayed all of their offensive power and were successful in checking the offensive strategy of the Ohioans. The game was a climax for the college careers of nine seniors all of whom aided the Maroons in keeping their season record undefeated and untied.

TO WYATT "SPIDER" THURMAN

Webster doesn't have enough words in his Unabridged to describe all the attributes of Wyatt "Spider" Thurman. Every person who knows Spider agrees that he is in a class all his own. On the gridiron, on the hardwood, in the classroom, and in the Grill, he is always the same, quiet Spider.

During the four years of his college career he has received enough honors to change the average collegian, but Spider has gone on unchanged. His modesty and dependability have helped make him outstanding throughout his college life.

Spider probably will be missed more than any Senior who graduates this year. When he hung up his football jersey for the last time in the fall, one of the greatest athletes ever to don an Eastern jersey was leaving the Maroon ranks. However, when praise was aimed his way, Spider made it a point to turn the spotlight on his teammates. In 1940, Spider was voted the most valuable man to his team in the K. I. A. C., he was named on the All K. I. A. C. team, and received honorable mention on the little All American eleven. On the hardwood, Spider always was a menace to the opposing team and put Eastern in the running time and again with his deadly long shots.

In the classroom Spider was the same hard worker. His major field was industrial arts, but he gave his best to other subjects as well. During the past year his scholarship was recognized when he was selected as one of the Eastern students in Who's Who in American Colleges and Universities.

FRESHMAN FOOTBALL SQUAD

First Row, Left to Right—Gail Roberts, Earl Gibson, Olen Kennedy, Ed Huck, Casey Nowakowski, George Norman, Walter Duch, and Irve Kuehn.

Second Row—Edward Hedger, Manager; Pete Nonamaker, Ray Parrish, Jack Loper, Harold McGhee, Walter Huccke, and Robert Neal.

Third Row—Norman Abraham, William Kinsella, Jr., Jack Holt.

The unsung 1940 edition of the Baby Maroons did much towards accomplishing the undefeated record of the varsity eleven. The freshmen composed the opposition for the scrimmages and the reward for their hard knocks came on Saturday when they sat on the sidelines and watched the Eastern machine go into action.

Enough cannot be said in praise of these boys who took their punishment with no complaints.

Because the freshmen had no games their achievements seem few, to the casual observer. But to the coaching staff and varsity men, the freshmen stood out as the potential varsity of next year and the years to come.

The freshmen are learning the system employed at Eastern so that they may soon become a smooth working part of the varsity team.

THE HARLAN BACKFIELD

The Harlan County backfield. Four young men well known to Eastern fans as they manifest the Harlan County spirit on Eastern's gridiron. Thurman, Combs, and Mowat, who graduate in June and Siphers, who last fall played his first year of varsity ball for the Maroon and White.

"Spider" Thurman has been long recognized as one of the best quarterbacks ever to play in the State of Kentucky. He has been awarded a position on the All-State team for the past two years and last year was chosen on the Little All-American eleven.

Bob Mowat was the man on the wing, the right halfback. One of the best blockers ever to play the position for the Maroons and an outstanding defensive player. Bad luck stalked Bob in two of his three years as a varsity player, as he suffered a knee injury his first year and in the Bowling Green game of last year had a severe back injury.

"Tater" Combs is the blocking back and his loss will be keenly felt by the team of next year. During the entire season last year Eastern did not play against any man who blocked with the savageness and skill of Combs.

Joe Bill Siphers who played his first year of varsity ball seems destined to follow in the footsteps of his townsfellow, Thurman. An outstanding ball player, defensively and offensively, Joe Bill seems headed for two more big years as quarterback of the Maroon and White.

CHEERLEADERS

Cheerleading at Eastern before 1940-41 had been a job, for the students had enjoyed, sitting calmly by, watching a bone-crushing, blood-chilling football battle with only an occasional gasp. Then too, Eastern teams were accustomed to winning only half of their games and this was no incentive toward "raising the roof."

This year's crop of freshmen acted as a spark toward setting off the dynamite which gave Eastern "ye olde school spirit." From the midst of this rowdy bunch came vim, vigor, and vitality, in the persons of Sadie Jones, Helen Horlander, Mack Childers, Christine Ashcraft, and Bettye Lou Maynard.

These five cheerleaders led the blitzkrieg which saw the Eastern student body cheering the Maroon eleven through an undefeated, untied season and also a successful hardwood schedule. This freshman five toured every possible game where thumbing, hoboeing, walking, or bicycling could get them there and at the games their lusty voices could be heard above all the rest.

School spirit, a new thing here at Eastern, has been started this year with these five leading the way. Eastern owes them a vote of thanks and should stick behind them next year and in the years to come.

Eastern 63
Wesleyan 45

In one of the wildest scoring games yet played in the Weaver Health Building, the Eastern Maroons swamped a fighting five from Kentucky Wesleyan 63-45. Schuster, Osborne, and Campbell were big guns in the Eastern powerful offensive attack which rolled up a lead of 12 points in the early moments of the game. Wesleyan's Coach Ditto jerked his first team and sent in five second team men who immediately pulled to within four points of the Maroons. The Rankinmen then settled down and began another scoring spree. In the second half the smooth scoring Maroon machine kept rolling and the outcome of the game was never in doubt.

Berea 55

The Maroons avenged a previous defeat by outfeuding the Berea Mountaineers 63-55 in a free scoring game. Chuck Schuster, Eastern's stellar center, led the Maroon attack while hitting the hoops for 27 points. The Maroons led at half time 37-27, but the Bereans came back and cut this lead to four points. In the second half of the ball game Haas, Maroon guard from Newport, held the highly touted Joe Green, Berea giant, to 3 points. In this same stanza Schuster, Haas, and company took over and pulled the game out of the fire.

At the first of the season the Maroons suffered a loss to the Berea Mountaineers in the Eastern gym.

On February 8, Rome Rankin took his charges over to the Berea College campus and did something about that humiliation, for, when the last whistle had blown in that basketball game the Easterners were on top, 63 to 55.

Charles "Chuck" Schuster and Francis Haas were the sparkplugs for the team, Schuster scoring 27 points and Haas hanging onto Big Joe Greene's shirt tail like a leech, holding him to a meager 3 points the first half while Eastern was running up its lead.

The contest was well attended by rooters for the Maroons and the cheering duels between the two cheering sections was almost as lively as the game itself.

K. I. A. C. Tournament

With Murray State Teachers' Thoroughbreds winning the crown from the perpetual champions, Western, the 1941 edition of the K. I. A. C. tournament was a huge success, a success in both money received and in the sportsmanship shown on the part of the players who participated in the thrilling games.

With Eastern again serving as host to the annual big show of the conference, all members of the K. I. A. C. sent representatives to the meet which was held in the Weaver Health Building during the days of February 27, 28, and March 1. The management of the tournament was in the efficient hands of Mr. T. E. McDonough of the Eastern Physical Education Department, he being assisted by members of the Physical Education Club at Eastern.

Murray, the winner, defeated Eastern's Maroons on Friday, February 28, and the next day liquidated Western and Union to culminate their struggle for the title. Later the Thoroughbreds were runners-up in the S. I. A. A. and National tournaments.

Eastern's Freshman basketball team in the past season showed steady improvement. This, for a freshman team of any kind, is a major achievement.

But under the wing of able coach, Charles "Turkey" Hughes, Eastern's Baby Maroons have always been major opposition for teams all over the state.

Starting out with a bunch of boys who have never played together before and whipping them into shape, Coach Hughes' Freshman team played games preliminary to most of the varsity tilts and gave the fans more than their money's worth even before the second game had started.

He has uncovered many fine looking prospects for next year's varsity in these Freshmen. Next year will see many of them on the squad giving a good account of themselves.

BASEBALL

BASEBALL TEAM

Front Row, Left to Right—Vic Nash, Clifford Tinnell, James Brock, Jennings Shelton, Charles Dorna, Roy Bezold, Charles Perry, Woodrow Guy, Arlie Noble, Bert Smith.

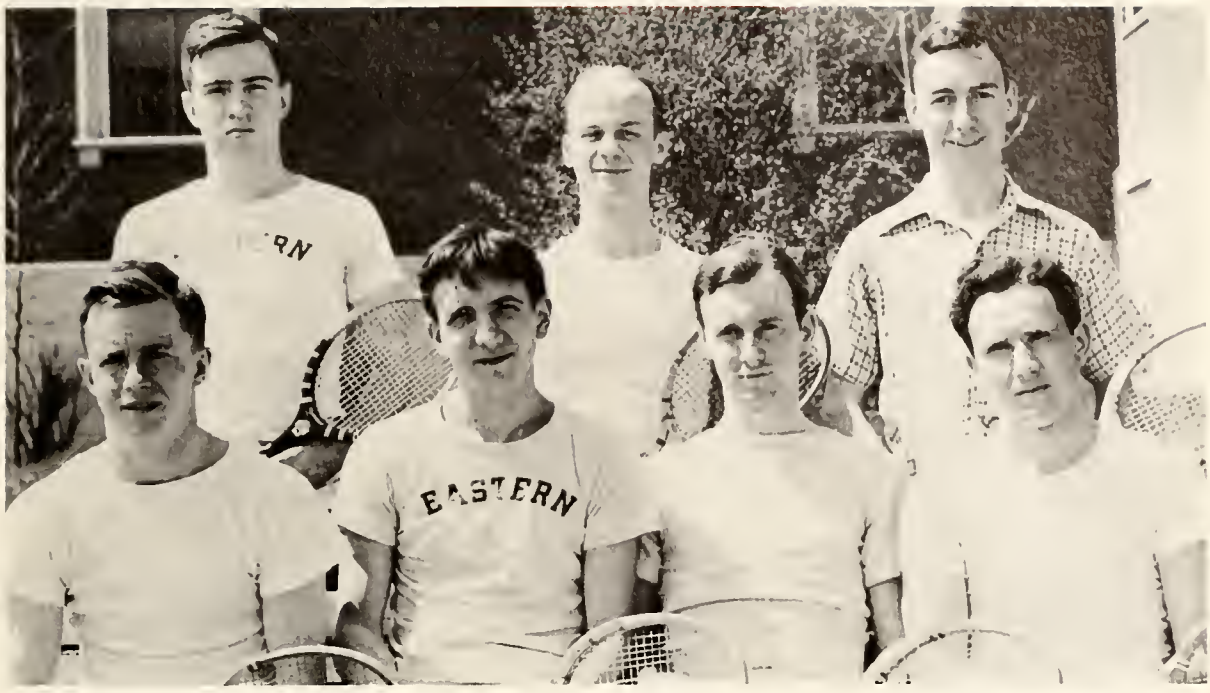
Back Row—Coach Charles T. Hughes, Manager Mack Childers, Walter Mayer, William McClurg, Cephus Bevins, Eugene Rall, Charles Schuster, Harold Yinger, Tom Combs, and Manager Bill Brown.

The loss of Coach George Hembree who was called to duty with the National Guard necessitated the selection of a new coach and Charles "Turkey" Hughes was chosen to take over this new duty.

With five lettermen returning from last year's nine, Coach Hughes began baseball practice early in the spring. In their first two games they split with Illinois State Normal University, losing the first, 6-5, in 10 innings, and winning the second by a score of 13-11. In these games Combs, Rall, Bevins, and Guy saw action on the mound with Perry at first, Dorna at second, Nash at short, Tinnell at third, and Shelton, Schuster, and Rall in the outfield. Brock and Mims were new additions to the pitching staff with McClurg, Bezold, Noble, and Mayer expected to see plenty of action before the season was over.

The Schedule for the season found games scheduled with the University of Kentucky, Western, Morehead, Illinois Normal, and Centre, with several games pending.

TENNIS TEAM



Front Row—Billy Bright, Raymond Stephens, Phil Bevins, Bud Petty.
Back Row—Claude McSpadden, Claude Harris, Jim Squires.

In the absence of Coach Charles "Turkey" Hughes, who took over new duties as baseball coach, Bud Petty, Junior from Ashland, was chosen as student playing-coach. Claude Harris, Senior from Richmond, along with Petty, were the only returning lettermen from last year's team so the 1941 team will be built around these two men.

Aspirants for the other berths on the team were Phil Bevins, Sophomore from Pikeville, Jim Squires, Senior from Crestwood, Claude McSpadden, Junior from Harlan, Porter Mayo, Sophomore from Prestonsburg, Guy Warming, Sophomore from Jellico, Tennessee, Billy Bright, Senior from Richmond, and Raymond Stephens, Sophomore from Prestonsburg.

Due to the fact that the new courts had not been completed at the beginning of the season and because unfavorable weather prevailed, practice was light. This year's team, however, has lived up to past records and has taken its share of the winnings. Matches were scheduled with Berea, Union, Centre, and Western.

TRACK

Front Row—Jim Little, Joe Bill Siphers, Howard Hundemer, Walter Heucke.

Back Row—Ray Nelson, John Rose, Trainer; Ora Tussey, Lloyd Hudnall, George Ordich.

Last season the Eastern Maroon Track Team was the finest in the history of the school. Winning two meets and placing second in another, the Maroon and White runners completed the season at Berea by getting second place in the State Meet.

This year the Maroons should have a better team although they still have no first-class track upon which to practice. The team is composed of Fred Darling, Ora Tussey, and Ted Benedett in the Shot Put and Discus department; Haas and Buchaus hurl the Javelin; George Ordich on the low hurdles; Thurman, Mowat, Ordich, and Hundemer compose the relay team; and Ray Nelson, the best miler in the State, who also runs the half-mile and two-mile events.

Having just one meet scheduled so far for the 1941 season the Maroons are gunning for the State Meet to be held on May 26th, and they have an excellent chance of repeating their feat of last year. The team is coached by Tom Samuels, who is also the line coach for Football. His skill and knowledge of the Track game and his keen insight on the problems of men participating in this sport probably count, in a large degree, for the success of Eastern Track Teams.

The Little Theater Club this year has presented two plays, and sponsored a showing of the Hendrickson-Bruce traveling company which presented "The Merchant of Venice" and "Macbeth."

Heading the club as director for the first time this year is Mr. Cyril Hager, new assistant professor of English. Mr. Hager replaced Miss Pearl Buchanan.

The sponsoring of the Hendrickson-Bruce road show company met with a great deal of enthusiasm on the part of the students and the towns-people and good crowds attended both showings.

We wish the LTC the best of luck in their future plans and we hope that their splendid acting will become even better during the years to come.

Take Us Along . . .

We sincerely hope that the pleasant association we've known has been a mutual one . . . and that our organization may continue its value giving service, no matter where your paths may lead.

The Penney by-word of value is a national one. And with nearly sixteen hundred stores in America, you're sure to find us somewhere in your neighborhood.

You who remain, we thank you for your patronage and suggest the J. C. Penney Saving Lesson as a part of your daily curriculum.

McGaughey's Studio

SINCE the beauty of an annual depends largely upon the quality of the photographs used, the Milestone Staff realize that a great part of whatever recognition this book merits should go to the McGaughey Studio. On the basis of satisfactory and efficient service, we recommend this studio to future Milestone Staffs.

Application photographs from any negative in our files may be had at any time for one dollar per dozen.
